Rolfe	Tom Whitworth	Composer / Sound Designer	Gary Rolfe, a British Arctic Explorer, Dog Musher and Punk, has moved to Scoresbysund, East Greenland, to build a new life for himself. In this short documentary, he discusses the perils of living beside the sea ice, a hostile death trap to anyone that ventures across it. In a shocking twist, Rolfe painfully reveals why such an environment needs to be respected.	2009
John & Gaynor	Tom Whitworth	Composer / Sound Designer	Deep in the desolate Tanzanian bush, aging white couples John & Gaynor Faull live a loving but humble life. This quietly observant, wryly comic and romantic documentary is an affectionate ode to a marriage weathered by time and the now barren Tanzanian landscape	2009
Craig Dolby: Going for Glory	Tom Whitworth	Composer / Sound Designer	A short documentary following Team Astromega's youngest and most daring racing driver for RSC Anderlecht at the new Superleague Formula racing events	2009

The Brian Jackson Show	Schadenfreude Pictures	Composer	Brian Jackson (Pietro Herrera) is a man that thinks the unthinkable and simply runs with it. Cringe and cry with laughter as Robin (Jamie McMillan), Tony (George Young), and his girlfriend Crystal (Gemma Harvey) are swept away by the whirlwind that is Brian Jackson.	2008
Domestic Flight	Greenlit Media	Co-Composer	After years of being belittled by her crossword-obsessed husband (David Ryall) and ignored by her greedy daughter (Marion Bailey), Edie (Sheila Reid) has an experience that renews in her a hope that there is a better way, and makes sure that from now on things are going to be different.	2008
R.I.P. TV	Neil Ferguson / Data Connection	Composer	Jake (Nigel Harman), Rob (Paul Thornley) and Angela (Georgia Mackenzie) are all TV addicts, allowing their lives to pass before them in a never ending stream of bad TV. But then one day the TVs stops working and they are left to get on with their lives, without television...	2007
The Killing of John Lennon	Picture Players Production / Redstone Pictures	Orchestrator / Digital Programmer / Instrumental Performer	A dramatization of Mark Chapman's plan to murder John Lennon.	2007
The Lost Evidence	Flashback Television	Assistant Composer	'The Lost Evidence' (War in the Pacific) broadcast on A&E Network in America and The History Channel.	2007
